----------------------	---

A note on the weather:

Field Hockey is an outdoor sport in the winter. There is a strong possibility that some games or practices may be cancelled or postponed due to weather. The athletics director will assess both the weather and field conditions and if he determines we need to cancel, you will be notified by email **around noon that day**. Please note, even if it is not currently raining, if it has rained significantly just prior, practice/games may still be cancelled. Playing on a muddy field increases odds of injury and also damages the fields themselves.
